

Louella Belle

Education

Welcome

to our training prospectus

Louella Belle continuously strive to improve our products ranges while driving new innovations forward to introduce state of the art products and tools to our portfolio with the latest technology and chemistry available. To ensure our success we must ensure the success of the Nail Artist! We know that great products, partnered with award winning techniques, are the key to lasting salon success.

With our intensive training programmes the sky is the limit! Whether you are just embarking on your journey in the nail and beauty industry or a nail professional wishing to refresh your knowledge and update your skills, we have a training session or course to suit you. Our education team is able to provide the highest levels of training in the industry. Every educator is carefully selected based on an extensive criteria and are of the highest standard ensuring our exclusive techniques are available to all.

Our Team

We have a network of highly trained educators who specialise in our training courses and products across the United Kingdom. The map highlights locations where we offer training courses.

About Us

Louella Belle are the sole UK distributors of professional manicure, pedicure, beauty and spa products including top industry favourites Artistic Nail Design, Seche, IBX and Morgan Taylor.

Louella Belle distributes to salons, beauty therapists, luxury department stores, mobile therapists and nail technicians nationwide.

Founded in 1991 by Lisa Crook, Louella Belle has grown from strength to strength. Based in Borehamwood, Hertfordshire, our Head Office is the home to over 30 members of staff with many more working throughout the UK.

We exhibit at professional trade shows throughout the year, or you can call in at our showroom where you can meet the team. Our head office and showroom is based in Borehamwood, Hertfordshire, but we have a sales team nationwide who will call on your salon and look after your individual requirements. Back at Head Office there is a fully trained team available to offer telephone advice.

Routed in the philosophy of 'Dedicated to creativity and client care' the ethos of providing a personal service to each of our clients, regardless of their business size is at the very heart of the company. The five core values from Managing Director Lisa Crook are driven through every aspect of the business: **Personal Service, Trust, Innovation, Loyalty and Professionalism.**

In-Salon Training

Whether it's just for a few or a larger group, take advantage of being trained in the comfort of your own premises. Choose from any one of the courses outlined in this brochure or speak to a member of our team about how we can meet your requirements. Please note that for in-salon training, all attendees must be present for the entire training time.

Course Cost - prices from £250 + VAT per day

Attending Your Course

We are committed to providing you with high quality education to equip the thriving nail professional with the skills to help you succeed. Our classes come with product options and a workbook. Upon successful completion of the courses students will graduate with a product Diploma which is industry recognised, enabling students to gain insurance.

To ensure you get the most from your course, we kindly request that you follow our training guidelines.

Professional Attire

It is essential to dress appropriately and professional attire is highly recommended; comfortable but smart clothing such as a tunic or a black t-shirt and trousers are ideal. We do request no denim or trainers though, please. We also ask that you tie your hair back and wear minimal jewelry.

Nails

It is likely you will be performing a number of application techniques on other students attending the course. Unless specified otherwise you should have natural nails in a reasonable condition, which are free from any traces of artificial enhancements, wraps and polish.

Time

To ensure you do not miss out on any important information, please arrive 15 minutes prior to the stated start time, as all courses will start promptly at the stated time.

What you need to bring?

Please bring your tools of the trade i.e. cuticle nippers and pusher and product kit where stated. Although our kits contain a comprehensive amount of product to produce many sets of nail enhancements, extra tools and additional products may be needed during your course. LED or 36 Watt UV Lamp should be fully operational and, if not new, has been maintained. When sending additional members of your team to attend a course, please ensure enough stock, tools and equipment has been provided.

Models

Models may be required for some courses and are to be arranged by the student attending. Please be aware that models are not guaranteed to have a complete full set by the end of the session.

Special Requirements

Should you have any special needs or requirements that may affect your learning experience, please let us know as soon as possible so that we may provide you with any assistance required. All information provided will be kept in the strictest confidence in accordance with the Data Protection Act.

How to book your course

To discuss your requirements, more information or to reserve your place please contact Louella Belle on 0844 800 9396, e-mail education@louellabelle.co.uk or book on-line at www.louellabelle.co.uk. A non-refundable deposit will be required at the time of booking.
